Dear Residents,

The Baytree CDD will be completing some sidewalk repair throughout the community. The work is currently scheduled for Feb 4th through Feb 15th. Some of this work may be occurring on the sidewalk in front or near your home. The contractor expects to be completed within one week, but may be delayed by weather and other factors. We are sorry for any inconvenience this repair work might cause.

Should you have additional questions, please contact our office at (407) 841-5524. Thank you for your cooperation as we make these needed repairs.

Sincerely,

Jason M. Showe
