

Process for Reporting Burned Out/Broken Street Lights

1. Note the nearest address and if available the yellow number noted on the street light pole.
2. Contact the appropriate Board member by using the Supervisors and Staff tab on the Baytree CDD website.
3. Report the address and street light number to the Board Member.
4. FPL will be contacted, and the appropriate repair actions will be taken

Please note that it generally takes 7-10 days for the repairs to be completed. Should you have any questions about the process please speak directly to the appropriate Baytree CDD Board member.
